Murray Bridge High School proudly introduces the school prefects for 2015.

They are from left pictured with Principal Mr Phil Fitzsimons, Phea-jae Gage, Shaun Tyas, Courtney Afford and Hayley Vardon.

For more information on our prefects please read their personal profiles below.
Name: Hayley Vardon

Year Level: 12

Role: Prefect

As a student leader I hope to... be a part of the great changes that have been happening around the school. I would also hope to show my peers that it is not a bad thing to be a leader in your school. I would hope to help to continue the good image of Murray Bridge High School and have the community more involved in the school. I hope that from being a prefect I can improve my leadership skills and be more confident.

Something you don’t know about me is... I struggle with maths but do the best I can to learn everything I need to know.

I read... any book that has a great story line.

I watch... lots of movies, especially in the cinema and a few TV shows.

I listen to... whatever is on the radio when I am driving.

One day I hope to... study at The University of Adelaide and become a Vet and own a clinic.

My goals for this year are... to focus on my subjects and get the highest ATAR I possibly can. I also want to do the best I can at being a prefect and really give 100% to everything that I will be involved in this year.

The best thing about Murray Bridge High School is... the amount of subjects and pathways it has to offer. If you want to study Science you can and if you want to do a traineeship you can, with all the help and support you can get.

Name: Courtney Afford

Year Level: 12

Role: Prefect

As a student leader I hope to... give back to the school as much as it has given me over the years. I would also like to leave a good impression on the school and be an approachable person for both teachers and students.

Something you don’t know about me is... I love cows. My family lives on, owns and runs our own dairy farm, and I just love it! It’s kind of sad but the only holidays we ever get to go on as a family are to cow shows!

I read... mainly book sagas like The Hunger Games and Divergent, but the McDonald’s menu is probably the most frequently read...

I watch... too many movies, way too many times...

I listen to... my sister complain at home... but for music, just about anything.

One day I hope to... play Netball for Australia and travel the world.

My goals for this year are... to complete Year 12 with grades that I am proud of, and get accepted into University. Also to be a great role model and help others achieve their own kind of excellence.

The best thing about Murray Bridge High School is... all of the opportunities that we are given. We have a wide range of subjects to choose from, as well as VET and TAFE courses. Plus there is knockout sports, leadership roles, and teachers that are always there to help guide us through the bumps of school. The people are pretty great too!
Name: Shaun Tyas
Year Level: 12
Role: Prefect

As a student leader I hope to... help strengthen the bond between students and teachers and get the students voice heard in the school. I would also like to get Murray Bridge High School out in the public with a positive reputation.

Something you don’t know about me is... I am the first South Australian Aboriginal Sport Training Academy (SAASTA) student to be a school prefect.

I read... very rarely but when I do it is usually adventure.

I watch... action and comedy movies. I don’t usually get to watch TV because I don’t have the time.

I listen to... most types of music as long as it has a good beat.

One day I hope to... have a family and travel the world to meet new people.

My goals for this year are... to help the connection between students and teachers become stronger as well as do well in school myself and successfully complete my SACE.

The best thing about Murray Bridge High School is... the wide range of subject choices that we have, the staff who work at this school and that every student is treated equally no matter what the difference is.

Name: Phea-jae Gage (Pronounced P-J)
Year Level: 12
Role: Prefect

As a student leader I hope to... encourage people to follow in my steps, to make people see “Action Requires Reaction”, and to never be afraid to voice your opinion about said topic/problem, even if it sounds dumb.

Something you don’t know about me... I rarely think of just one pathway towards a solution, I like to call it “Analytical Thinking”. I’m also an avid archer, rifleman and photographer.....and pyrotechnic.

I read... mainly books and articles that provide information, towards anything relevant and irrelevant to any given topic.

I watch... U tube videos about games like World of Tanks, Minecraft and DOTA.

I listen to... any type of music that has a good beat, a good story/lyrics and everything but Screamo.

One day I hope to... do reviews on video games and have lots of freedom and not lead a restricted life.

My goals for this year are... to make a difference within the school community, to be able to say, “Yeah I did that” when something good happens.

The best thing about Murray Bridge High School is... the fact that there are opportunities at this school. I have undertaken many different subjects and enjoyed each of them in their own way.
