Murray Bridge High School proudly introduces the School Prefects for 2012.

They are from left:

Roslyn Gunn and Flynn Watson (Head Prefects), Nidhi Bawa and Hannah Kluske (Deputy Head Prefects)

For more information on our Prefects please read their profiles below.
Name: Roslyn Gunn
Year level: 12
As a student leader I hope to… encourage students to become more involved in their school and be proud to be going to Murray Bridge High School.
Something you don’t know about me is… I love Kombi vans and would love to own one, one day.
I read… everything from newspapers to books, to magazines.
I watch… Mythbusters
I listen to… everything except Scremo.
One day I hope to… have a family and a great career.
My goals for this year are… pass Year 12 to the best of my ability and make changes to the school as Head Prefect that will be enjoyed by many future students and teachers.
The best thing about Murray Bridge High School is… the large range of subjects, especially dance as it is not offered in many schools in this region. Also the teachers are always willing to help you achieve the best possible grade and are great to get along with.

Name: Flynn Watson
Year level: 12
As a student leader I hope to… improve the community’s view on the school by promoting all of the positive events rather than the small amount of negatives.
Something you don’t know about me is… I volunteer down at The Station, helping run awesome events such as Rock the Pool and Battle of the Bands.
I read… books such as The Bedside Book of Physics and The Australian Newspaper.
I watch… Big Bang Theory, NCIS and documentaries.
I listen to… mainly indie rock but I will listen to anything that’s not too mainstream.
One day I hope to… become a Robotic Engineer and work on new and innovative projects.
My goals for this year are… to work hard on all of my subjects to gain the highest possible ATAR, as well as initiating projects that will make this school the best possible for its centenary year.
The best thing about Murray Bridge High School is… it has a strong student voice, dedicated staff and lots of programs and courses that are not offered anywhere else.
Name: Nidhi Bawa
Year level: 12

As a student leader I hope to... encourage all of our students to follow the school values ie Excellence, Respect and Working Together. I hope to become a good school leader by working together with school staff and peers. I hope to raise voices and views of my peers. I hope to make Murray Bridge High School more than the best school, as no doubt it’s already the best school.

Something you don't know about me is... I love watching movies and I love hot and spicy food.

I read... The Bible and Awake magazines.

I watch... Indian television programs and movies.

I listen to... Hollywood and Bollywood music and kingdom melodies.

One day I hope to... go on a world tour, have a happy family

My goals for this year are... to score excellent in Year 12 by working hard.

The best thing about Murray Bridge High School is... the Principal and teachers are very cooperative, very caring and kind to all peers which makes it easy for peers to talk with staff and discuss any issues that concern them.

Name: Hannah Kluske
Year level: 12

As a student leader I hope to... give all students the opportunity to have a voice and to be a role model to the other students within our school and the outside community.

Something you don't know about me is... I recently went to America for 5 weeks, where I learnt a lot about other cultures and had a great time.

I read... Biographies and Jennifer Weiner books.

I watch... Home and Away, Private Practice, Greys Anatomy and other similar shows.

I listen to... many different genres of music.

One day I hope to... travel the world and meet lots of people and also have a job that allows me to influence people’s lives in a positive way.

My goals for this year are... to pass Year 12 with the best score I can achieve and to reach my full potential in both school and out of school activities.

The best thing about Murray Bridge High School is... the large amount of support you get from all the teachers. The range of facilities including the Regional Disability Unit, Trade Training Centre and all the different subjects available and how multicultural the school is, allowing students and teachers to be accepting of everyone.
