In 2013 Murray Bridge High School is celebrating its centenary year and the students decided that they would like a school magazine to reflect the year that was.

The 2013 School Magazine takes us back to previous years at MBHS when we had our school magazine. It will include photos and stories from students and staff, class profiles and activities and highlights of the many school functions throughout the year.

Payment of $45 (inc GST) must be made by the 20th December 2013.

The following order form can be taken to the SSO with payment.

Books will not be ordered unless they are paid for.
