MURRAY BRIDGE HIGH SCHOOL
Newsletter

NEW WEBSITE
NOW ONLINE

By Phil Fitzsimons, Deputy Principal
Murray Bridge High School is proud to announce that the new website is now online. After extensive consulting and planning over a 12 month period the website is ready for perusal.

Visitors to the website will notice an overall improvement in terms of navigation, student photographs and general layout. Key features of the website include virtual tours of the school facilities and a comprehensive outline of the curriculum offered at the school. Former students will be interested to see an historical component included, which will be updated on a regular basis as more information becomes available.

The school welcomes feedback on the website and trusts that the school community will take full advantage of the opportunities and information that the site provides. The address is www.murraybridgehs.sa.edu.au

FIRE ALERT
Some important changes to the way that high-risk schools and preschools located in bushfire prone areas will operate during this fire danger season. We are including this information in our newsletter in response to a number of inquiries.

The State Government will close high-risk public schools and preschools in specific fire ban districts on days when the fire danger index is forecast at 100 or more – Catastrophic (Code Red) level. Please see below a list of schools in the Murraylands.

Please Note:
Murray Bridge High School is NOT a school with a site fire audit rating of Extreme, Very High and High that will close on days of forecast Catastrophic (Code Red) bushfire weather conditions.

Further information is available at www.bushfirereadyschools.sa.gov.au

The Murray Bridge High School Bushfire Action Plan is available on the Murray Bridge High School website.

PE WEEK
A report by Cody Gower and Katie Sutton
Due to the heat day one was cancelled, so we began our week on Tuesday afternoon, clouds darkening the sky as a cool breeze blew. The Year 8’s set up for three games of softball, the Year 9’s played grip ball and the Year 10’s played soccer.

The Year 8 winners for the day were 8A, 8U and 8V on 14 points. Year 9 winners were 9B on 28 points and Year 10’s were 10W/Pedal Prix. This was a very successful start to the week.

Day three, overcast. The Year 10’s begin the afternoon with grip ball on the courts, the Year 9’s in the gymnasium playing volleyball while the Year 8’s were on the oval practicing their soccer skills.

At the end of the day the overall winners for the Year 10’s were 10W/Pedal Prix. The Year 9 winners were 9C and the winning home class for Year 8 was 8B.

Day four, a beautiful clear sky with sun shining bright as a cool breeze blows. You can find the Year 10 students on the oval having a go at softball. The Year 9’s can be found giving prison ball a shot on the courts while the Year 8’s are also on the oval but they are playing grip ball.

At the end of the day the winning scores for the Year 10’s were of course 10W/Pedal Prix, Year 9 winners were 9C and Year 8 winners were 8X.

Day five - It is a beautiful way to end a brilliant week. A perfect clear blue sky summer day. You can find the Year 10’s in the gymnasium playing volleyball, while the Year 9’s are on the oval playing soccer and the Year 8’s are trying their hand at prison ball on the courts, a great way to end a fantastic week. At the end of the day the winning scores for the Year 8’s were 8A, Year 9’s 9C and Year 10’s 10W/Pedal Prix. Congratulations to all winning Home Classes.

DATES TO REMEMBER
Monday, 30/11/09 –
Presentation Night at MBHS Gym – 7.00pm
Tuesday, 1/12/09 –
Finance Committee – 7.00pm
Friday, 11/12/09 –
